AS FAR BACK AS I CAN REMEMBER

Sung: Rebuild, Revive, Renew
BY GORDON FREED
WASHINGTON — Two weeks ago Mayor Lee Sung of San Francisco was a man of the hour. He was the first Asian American to be elected mayor of a major U.S. city. He was also a man of many talents. He was a former state legislator, a former mayor of a small city, and a former member of the U.S. House of Representatives. He was a man who had been in the public eye for many years. Germany and President Jacques Chirac of France said in a declaration issued Monday that they expected Syria to withdraw its troops and intelligence services from Lebanon "completely and as soon as possible."

no revelations that have plagued Lebanon in the past.

That was something Mr. Assad the Syrian president said in a Saturday speech to the assembly of hundreds of thousands of Lebanese and Syrian religious and political leaders in Beirut.

Hezbollah, the Shiite Muslim group, had the right to keep its weapons, Assad also warned.

Officials cite a drop in reported crime where other cameras were installed.

lance cameras actively deter crime by citing the changes in the housing projects equipped with the cameras. Crime dropped an average of 36 percent from the year before the cameras were installed to the year afterward, according to Joanne Jaffe, chief of the housing bureau.

Most of that decline came in quality of life crimes like graffiti and public urinating.
